General Overview

The Office of the CIO’s Data Center, located in Omaha, follows BICSI best practices and strict industry standards.

Service Details

Charges for the Data Center are based upon a “Rack Hosting” fee of \$45.00 per Rack Unit (RU) of cabinet space per month or \$1,350.00 for a full cabinet. A cabinet can accommodate 30-RU. The RU charge will be incurred for any device in the data center. Network Services staff will coordinate the movement of equipment into, and out of, the Data Center with IT contacts from the agencies.

The service includes:

- Secure access to the building and room, including card readers, biometric scanners, and cameras at all entrances
- Physically separate PDUs with battery/diesel backup
- Network Services Technology/Device fee
- The cabinets include enterprise network switch, redundant metered power strips, secondary authentication to cabinet
- Installation of the cabinet
- Five hours annual maintenance
- Building is staffed 24 x 7
- (2) 125V L5-30P Power outlets

Omaha Data Center

The service does not include:

- Omaha Data Center Connection Fee (bandwidth)
- Installation of Agency equipment (server, etc.)
- Power requirements other than standard ones listed above

Roles and Responsibilities

The Office of the CIO will be responsible for maintaining a clean and secure data center. The client will be responsible for following the Data Center Policies and Procedures.
