General Overview

The service includes the application of knowledge, skills, tools, and techniques to project activities to meet the project requirements. Project management is accomplished through the project management process groups of initiating, planning, executing, monitoring, and controlling, and closing. The managing of a project may include:

Staffing is provided by the OCIO. Staff consists of any combination of the following staff members:

- FTE's (Full Time Employees)
- Contract staff provided by the State's Contracting Service – Covendis
- Identifying the project requirements
- Addressing the various needs, concerns, and expectations of the stakeholders in planning and executing the project
- Setting up, maintaining, and carrying out communications among stakeholders that are active, effective and collaborative in nature
- Managing stakeholders towards meeting project requirements and creating project deliverables
- Balancing the competing project constraints, which include, but not limited to:
 - Scope, Quality, Schedule, Budget, Resources & Risks

The service will also include team member access to Clarity PPM (the State of Nebraska's project and portfolio management system) for the duration of the project.

Application Development

Roles and Responsibilities

It will be the responsibility of the Office of the CIO to provide quality resources that will apply the knowledge, skills, tools and techniques to project activities to meet the project requirements

Requesting Service

Contact either the Application Development IT Manager at 402-471-0648 or by contacting the CIO Help Desk at 402-471-4636. It may be necessary to explain the various options that are available and determine customer requirements. Those discussions will allow a solid estimate of tasks, costs, and timeframe.

Cost and Billing Information

The Office of the CIO uses Billing Accounts, Job Codes and Work Order numbers for authorizing work and tracking costs for specific projects. Customers may designate which job code and work order number to use or request a new job code and work order number. Contact the Office of the CIO for assistance with developing an accounting structure that meets the needs of the organization.

Service Hours, Response Times and Escalation:

Agencies can receive support by contacting the Applications Development IT Manager at 402-471- 0648 or by contacting the CIO Help Desk at 402-471-4636.

Project Management services are available Monday through Friday, 7AM until 5PM unless otherwise agreed upon between the client and the project management staff.

**For further information, please contact:
The Office of the CIO Service Desk**
