General Overview

Leasing PC's and Laptops through The State of Nebraska's enterprise license agreement ensures that your agency's devices are compatible with the vision of enterprise IT now, and when it comes time to upgrade technology solutions. We offer sustainable business hardware, built to fit your agency's budget, and can support your needs around the clock if necessary.

To Order: Choose leasing packages from the above listed package types. Use the Nebraska Service Portal to place orders via the service request system, [OCIO Hardware Purchase Service](#).

Attach documentation of supervisor approval.
