All OCIO rates can be found at: [Rates & Fees](#)

General Overview

Cisco Soft Phone is an on premise OCIO cloud service offering used for call center emergency purposes only. [This service offering is available to existing Cisco phone customers only.](#)

Service Details

Soft phones are installed and connected to an existing State Network infrastructure via VPN. This service offering **does** meet IRS requirements if you are connecting via VPN and are using a State issued laptop.

The Cisco Soft Phone includes:

- One of your existing desktop Telephone Numbers (if you have more than one)
- Voice Mail
- Email delivery of Voice Mail messages
- Unlimited use of outbound Long Distance service
- Already purchased licensing and software

The service does **not** include:

- State issued computer or laptop
- Internet service
- Any wiring necessary to connect to the internet service
- Toll Free inbound (800, 888, 877) service
- Add-on module
- Dedicated conference phone
- Headsets
- Data circuit
- Installation
- Moves, adds, and changes
- VPN
- Encryption
- New licensing and software

Cisco Soft Phone

Cost and Billing Information

The Office of the CIO Voice Team uses Job Codes and Billing Numbers for authorizing work and tracking costs for specific projects. Customers may designate a job code and billing number to use or request a new job code and billing number. Contact the Office of the CIO for assistance with developing an accounting structure that meets the needs of the organization.
